PROFESSIONAL SUMMARY

Results-driven Operations and Marketing professional with 4+ years of progressive experience at KisanKonnnect Safe Food Pvt. Ltd. in supply chain management and performance/retention marketing within the agri-tech and quick commerce sector. Proven track record of increasing on-time delivery rates, reducing logistics costs, and driving measurable growth through data-driven campaigns and customer lifecycle management. Skilled in cross-functional collaboration, process improvement, and building SOPs from the ground up. Completed MBA in Supply Chain Management and Operations.

WORK EXPERIENCE

Performance Marketing Executive

March 2026 – Present

KisanKonnnect Safe Food Private Limited – Navi Mumbai, Maharashtra

- Manage end-to-end performance marketing for KisanKonnnect's dairy subscription model, driving customer acquisition and retention.
- Send targeted push notifications and in-app communications to new, active, and low-wallet-balance subscribers to ensure uninterrupted order continuity.
- Oversee subscription app-in-app section including banners, flyers, and creative and content briefing.
- Automate customer journeys on app using CleverTap to deliver personalized lifecycle experiences.
- Plan and execute Day-0 onboarding offers contributing to **23% Week-on-Week growth** in subscription orders and **9% Month-on-Month growth** in active subscriptions.
- Monitor store-wise Consumer App Launch-to-Conversion funnels; proactively identify cohort-level degrowth and coordinate with relevant stakeholders to execute targeted campaigns that improve app launches and conversion rates.
- Tools:* CleverTap, Google Sheets, Excel.

Supply Chain Executive

May 2024 – September 2025

KisanKonnnect Safe Food Private Limited – Navi Mumbai, Maharashtra

- Re-onboarded to stabilize and rebuild supply chain operations following an internal compliance incident.
- Optimized fruit and vegetable supply chain with real-time tracking across **10,000+ daily shipments**.
- Increased on-time delivery (OTD) rate from **82% to 94%** through proactive exception handling and SOP-driven escalation workflows.
- Reduced Return-to-Origin (RTO) rates from **1.5% to 0.5%** via enhanced real-time tracking and process controls.
- Reduced delivery delays by **25%** through collaboration with 6 cross-functional teams.
- Built and managed cluster-wise operational dashboards in Excel and Google Sheets for leadership MIS reporting.
- Coordinated in-house riders and 3PL partners for load balancing, dispute resolution, and process compliance.
- Implemented fraud detection protocols across 3PL and in-house delivery teams.
- Managed B2C Modern Trade for brands including DMart Ready – seasonal mango supply, RTV, logistics coordination, and accounts receivable.
- Self-learned Tableau and Power BI for advanced data visualization and strategic reporting.
- Tools:* Excel, Google Sheets, SQL (Basic), Tableau, Power BI, Locus, AI-based automation tools.

Performance Marketing Executive

November 2023 – May 2024

KisanKonnnect Safe Food Private Limited – Navi Mumbai, Maharashtra

- Led consumer retention and reactivation initiatives, achieving **73% Month-on-Month regular retention** and **38% Month-on-Month reactivation** retention rates.
- Designed and executed targeted campaigns and communications for consumer reactivation and lifecycle management.
- Managed end-to-end website and app operations including product sequencing, banners, and user experience flow.
- Successfully launched KisanKonnnect on the ONDC e-commerce platform **within 1 day**, completing full product listing and setup.
- Planned and executed weekly promotional offers; monitored sales performance and managed offer cost and budget control.
- Led creative and content briefing for digital marketing campaigns.
- *Tools:* MoEngage, CleverTap, Google Sheets.

Junior Executive – Supply Chain

September 2021 – November 2023

KisanKonnnect Safe Food Private Limited – Navi Mumbai, Maharashtra

- Planned and optimized delivery routes for Mumbai and Pune regions, reducing last-mile logistics costs and improving on-time delivery rates.
- Served as Sales Coordinator and Sales Admin, supporting the Cluster Head in ensuring seamless delivery operations and improved customer retention.
- Coordinated between field teams, 3PL partners, and internal stakeholders to resolve delivery exceptions and ensure smooth daily operations.
- Maintained sales and delivery records to support data-driven decisions at the cluster level.
